The Brotherhood has lost seven members this year with only four "calls". The Auxiliary lost one member—and no call was necessary. The "Court of Arbitration" was made necessary by very unusual questions arising as to the beneficiary in the case of Bro. W. D. Swan, and was conducted in accordance with Art. IX of the Brotherhood Constitution.

The Brotherhood has 454 members; the Auxiliary 270.

We recommend, as a Constitutional Amendment, that the Auxiliary Benefice be increased from \$200.00 to \$300.00.

We would be gratified to know that every preacher in the Conference would be a contributor to the Brotherhood fund. Three

districts are now 100%: Huntington, Lewisburg and Bluefield.

Sincerely submitted,

M. W. CASTLE, President

J. M. WYSOR, SEC'Y-TREAS.

The foregoing report of the Brotherhood Treasurer has been audited, the records and vouchers checked, and are correct to the best of my knowledge.

JOHN S. SANDERS, Auditor

REPORT OF THE CRUSADE FOR CHRIST

One year ago it was my privilege to appear before you on behalf of the Crusade for Christ Rehabilitation and Reconstruction Fund. Your response to that phase of the Crusade was one of the "epic experiences" of Methodism in West Virginia. To many it seemed like an impossibility and indeed there were unspoken doubts in the bravest hearts; but God has a way of using those who are willing to do His work under the leadership of His Spirit. That such was the case is attested by the fact that every district in the Conference oversubscribed its quota and the subsequent payments have given increasing evidence that our people were giving for Christ's sake and in His Name. You, "the people who are called Methodists" were asked to raise \$532,725.00, which amount meant approximately \$3.00 per member. Up until this time you have subscribed \$640,000.00 and the cash payments amount to \$477,000.00. It is perfectly apparent that no single individual or group of individuals could have been responsible for such a magnificent accomplishment; it was rather the combined teamwork of an entire Conference united in a mighty and absorbing task. For the raising of \$640,000.00 was not the only fruit of our efforts. Indeed it is ever true that when men set out to accomplish great things for God, he pours his concomitant blessings upon them. So, while we were raising our Crusade Fund to feed and reclothe and rebuild a broken world, God was doing great things for us. We realized, for the first time the potential strength of West Virginia Methodism. We felt a new sense of solidarity as a Conference. We were caught up near to God's heart and made conscious of the sorrow and suffering and sin of the world.

So today, a year later, Methodism faces the second phase of the Crusade for Christ—the year of evangelism. A year of tremendous responsibility and opportunity. God has led us and prepared us for "such a time as this."

Methodism has heard the cry of the World; has heard the cry of God and her answer is: "Here am I; send me." Since 1939 the Church has been preparing for this hour. She has girded herself for a mighty warfare and the "Crusade for Christ" is the implement by which she will and does carry on. Conceived in prayer and born of God it promises to become the greatest spiritual movement since Pentecost. All over the Church one hears and sees evidences of the fact that the Church is on the move. It is of this movement with its message and messenger that I desire to speak today.

THE MOVEMENT: What this sin-weary, heartbroken world needs is the message of redemption through Christ. That the Church proposes to give in this year of evangelism and not in this year alone but until every heart is brought to Christ Jesus and stands redeemed in His presence.

To that end the General Conference, the Crusade Council, the Council of Bishops, and the General Board of Evangelism have been working and planning and praying. A program of mighty objectives has come down to us. Complete in detail and comprehensive

in scope it offers the church the direction so sorely needing in this great field. You have had placed in your hands an adaption of that program which seems to fit the needs of this area and conference. If you adopt it, it will become the program, the instrument, the mechanics through which we hope to work to this great end.

THE MESSAGE: It is perfectly obvious, however, that no program, however well conceived or formulated or implemented, can save one soul from despair and death. Evangelism is and must ever remain "a living thing." It breaks over all barriers of ritual and limitation. It touches men in every condition and class. It knows no bound of race or color.. It is at home alike in the simplicity of the white country church and the great Gothic splendor of the cathedral. All who truly know the message realize that it is useless to bring men to redeeming love and cast them out into a world made ready for failure. To that end the Church must re-discover the message of evangelism and go out to bring men face to face with that message. Have you a perfect right to ask "What is the Message?" And I answer back in the words of the New Testament; in the spiritual experience of the race; in the teachings of our blessed Church; and the witness of my own heart.

That message has not changed much—it has been adopted to fit new conditions and new times, but when it has been effective it has not varied greatly. This year of evangelism will be effective in proportion to the seriousness with which we proclaim the message of salvation. A Message that recognizes the reality and tragedy of sin. Feel the throb and pull of a world where the God-of-good rules most men and the race is to the swift and the strong. It was a world like that which Jesus faced, which at last drove Him to Calvary, and no evangelism can ever be effective until it has about it a great compassion for those caught in the malestrom of sin and dragged down to despair.

For men are dragged down; caught by sin and evil they are lost; captives in the dark caverns of despair. Lost to the great purposes of God, lost to their own best selves,, lost to beauty and goodness and truth; lost to the only kind of experience that can ever make life here and hereafter meaningful and worthwhile; but breaking through the dark, like the polar star through a rift in a clouded sky, is the light of hope for man. The one great hope of life—God searches the dark for His own.

THE MESSENGER: No laymen or minister will be able to be a messenger of this message until he is at his best. I do not speak of perfection in the ideal sense, else I could not speak, for I know how far I am from that, but I do know we are dealing with Holy matters. I do feel like Moses must have felt when God told him to take off his shoes for the ground upon which he stood was holy. So, beloved, whether we will it or not ours is a holy task; we deal with the divinest thing on earth or in heaven. If we are to do what God has for us to do, there are before us three mighty imperatives.

Every great revival has come through the earnest and devoted prayers of God's people. Our day will be no different. This Cru-

sade of Evangelism will be no different. You may get a few members—you may add some names to your church rolls—you may boast the statistics through a mere program, but if you are to have a heart-searching,, soul-cleansing, spirit filling revival of religion, it must be conceived and born in the travail of prayer. That prayer which is the daily, patient, continued, disciplined attention of the soul to God. That prayer which hears as well as speaks. That prayer which forgives as well as seeks forgiveness. That prayer which is the entering of the door of suffering for all who see sin and enter into passion for its healing.

Every great revival has had its re-emphasis upon the study of the Word of God. Even so must this one. Our people are woefully unlearned in the "sacred Word". We read so many books about the Bible, on the Bible and of the Bible that we sometimes feel we know all about it. But there is a great need for a devoted, disciplined study of God's Word. Let us thank God for all that scholarship has done to make its meaning clear and then read it reverently as though God had arisen before breakfast this morning to write it just for us. Not occasionally, not spasmodically, but with that disciplined search which will lead us to the light of its message.

REPORT OF COMMITTEE ON DISTRICT CONFERENCE JOURNALS

The following District Journals were submitted and records were in order: Fairmont, Central, Wheeling, Bluefield, Charleston and Lewisburg Districts.

J. C. Hupp, Chairman.

REPORT BY DISTRICT SUPERINTENDENTS Presented by Hugh E. Kelso, Buckhannon District

Dear Fathers and Brethern:

Your District Superintendents respectfully submit this report.

The Church has come through the war years with a creditable record and this is true of the West Virginia Conference, as of the Methodist Church as a whole. The drain in manpower, both in the ranks of the Ministry and the laity, the extra demands upon the time of the workers left in local congregations for unusual service in the community and to patriotic activities, the outpouring of treasure for the war effort, the rationing of means of travel and of materials normally available for the work of the church, these, all, have been met in most commendable fashion, in no spirit of defeatism; but with confident assurance that God is with us, and that our Master would bring us through triumphantly. Consequently, we are stronger now than when war broke upon us at Pearl Harbor.

It is well that it is so. For the cessation of hostilities, instead of cancelling our obligations, brings to the church greater responsibilities. The ultimate object under God, of the Church's ministries is to men, and is in direct ratio to their needs and our opportunities. Today's world, though the despoilers are impoverished, is even in worse plight than he in the parable who had fallen among thieves. He alone was hurt then. The women and children, with aged parents are now despoiled, wandering as ex-patriates, and with scant hope of reunion with loved ones and a return to old haunts even with destroyed habitations, institutions gone, and material and spiritual resources unavailable. The church, also, has suffered loss of property, organization, membership and prestige in war-torn areas. These must be rebuilt. Our disrupted former program will not suffice for the task that confronts us and our best must be

thrown into the task of developing the policy and directing the effort of recovery. As always, the Church must be the Good Samaritan.

The challenge of the times has not caught us asleep or helpless. Notable in foresight and success has been the Crusade for Christ in its earlier objectives or "spearheads". Though a special report will be made by our Conference Director, (as is true of most matters dealt with in this general survey), we note not only the magnificent financial response of our people, when \$642,000 was pledged, of which \$477,000 has been paid, but also the influence exerted in securing of much improvement of the proposed charter for the United Nations, ere it was formally adopted. The Church School Advance is bearing fruit, as reports in statistics will show. And now, as the year of special evangelistic effort dawns, our people are a-quiver with expectancy. To lead us in this phase of the work in this Conference, your Bishop's Cabinet, believing in the tremendous importance of the work, recommends the appointment of our director upon a full time basis. The matter will come before you later in form for specific consideration. All this is a "beginning at Jerusalem" but it is also headed for the ends of the earth, and is ultimately to minister to "all nations". It is well that the Church at home is in robust health.

A preliminary survey indicates that our Conference has made substantial gains in membership the past year, enjoying a net increase of 6338 full communicants. 6019 of these come on profession of faith. The Church School enrollment has increased 7522 and the average attendance, 6394. Six new congregations and 44 new Church Schools have been organized, 409 Daily Vacation Sessions of the Church School have been held, 10 new Churches have been erected and 8 new parsonages secured, for carrying on our work. Furthermore, 183 Church buildings and parsonages have been improved. The investment in cash payment on these buildings and improvements has amounted to \$276,137. Through mergers we deduct three from the number of congregations. And though 10 Churches are reported abandoned, several of them have not been in use for many years past. We have paid off \$88,458 of our Church and parsonage indebtedness, and have incurred but \$25,192 in new debts for these.

While reporting on financial matters, we are pleased to report pastoral salary increases of \$40,913, with other ministerial support in ratio, approximately \$8,200. The \$20,551 increase in giving to World Service and Conference Benevolences, is about half the amount of the increase for pastor's salaries.

The Special Day observances, mostly from Church Schools, has netted the following sums: Rally Day, \$2,148; Race Relations, \$1,380; College Day, \$10,774; and Student Day, \$2,202.

With pleasure, we note that our local churches, schools, ministers and people, patronize our own Publishing House and that Christian Advocate subscriptions have increased to approximately 10,000 in our Conference.

Not referring to trust funds or endowments of Conference

Boards or our Wesleyan College, our Churches report holdings of \$363,781, of which \$308,472 is reported as having been received this year.

The Woman's Society of Christian Service has made progress in every phase of its work.

Although not having attained the goal of at least one Woman's Society of Christian Service on every charge, new societies have been organized and West Virginia Conference leads the whole Northeastern Jurisdiction in the number of new organizations. In all, we have 688 units with a membership of 28,307.

The money paid to the Woman's Division of Christian Service was increased by \$4,700.00 while the contributions made to the Crusade for Christ totaled several thousand dollars more.

The Children's work and the Youth Work, as well as all other departments, have made equal gains.

Two hundred members participated in the Christian Worker's School.

The Conference Lay Leader reports an increasing understanding and cooperation between laymen and ministers; a more general observance of Laymen's Day, with a larger number of laymen participating in and assisting with regular services of the Church in relief of the pastor or to provide extra services for the people. Area gatherings were restricted to District Conferences, save that at other times in some parts of the Conference, some subdistrict meetings were held. New Methodist Men's organizations have been set up in a few places. Much of the laymen's activity was most helpfully expended in cooperation in the campaign of the Crusade for Christ.

In general, the statistical figures heretofore presented, point to the efficiency of work done under the planning of several Conference Boards. We, however, desire to express appreciation of development of work under the guidance of our Boards of Missions and Church Extension and of Christian Education. The demands for funds, on both boards, particularly in the section of Church Extension in the former, is bound to increase in the near future.

In relation to Education, we desire to make expression at three points.

FIRST: We commend the indefatigable labors of the Conference staff working in the field of the Local Church.

SECOND: Two thousand five hundred are expected to enroll at our State University in Morgantown this year. One third of these, according past experience, will be Methodists. Our work with these students is not just a local but a Conference-wide, major responsibility and opportunity. Other denominations expend much larger funds for their work than we do in the maintenance of our Wesley Foundation. Wesley Church holds adequate funds for a fine new building to house this work at the edge of the campus as soon as construction is possible. But the operating budget calls for augmentation of our Conference funds therefor.

THIRD: Wesleyan College is our own. Its ideals and goals are definitely Christian. And it represents the efforts of our Church in this State to provide college instruction of highest quality in a definitely spiritual atmosphere, with positive Christian emphasis.

These are distinctions, without invidious comparisons, which justify the Church in its educational endeavors on this level. And the tone in private and state institutions is elevated because of what we do in our Church college. Its work is not just that of training preachers. It is not an embryo seminary. The laity must be truly Christian and truly educated or our Church will perish. No merely professional group can maintain it. Far more students train here for other pursuits than do the full-time, paid service of the Church.

The group of young ministers, Church secretaries, religious educational directors, and those who will become deaconesses and missionaries is a distinctive one and graduates are rendering notable service to the Church around the world in these fields of service.

The attendance is growing and will rapidly increase in the reconversion era, and as the building programs advance. We are glad that this year's freshman class is the largest in many years.

Though never adequately financed, the institution is operated on sound business principles, though service is not sacrificed to economy. The friends who support the college with money gifts need to be increased, and we need to be a unit in directing promising students to Buckhannon.

The successes that have come have been due in perhaps largest measure to the faithful pastors, many of whom have wrought with a financial compensation of less than that paid to untrained labor for the most unskilled tasks. A nobler band is not to be found. Too many are breaking under the strain and with no compensation for old age. Excluded from social security provided by the Government, they are dependent upon the gratitude of our great church. Too long have we dallied about making adequate provision for them. This very year, plans long deferred, must be perfected, that, early in the year following, the challenge of their need may be adequately presented to the West Virginia Constituency of the Methodist Church.

REPORT OF BOARD OF EDUCATION

The Board of Education desires to express its sincere appreciation to the Conference Staff for the faithful way in which each member has met the responsibilities of his office; to Rev. Walter S. Overstreet, Executive Secretary; Mrs. H. M. Wade, Director of Children's Work; Mr. A. Argyle Knight, Director of Youth Work and to Dr. J. L. Hupp who served as Director of Adult Work on a voluntary basis. We also record our thanks to all who have helped to carry on this program within our Conference.

Your Board has suffered a loss in the recent death of Dr. K. W. Robbins. He was a faithful member of the Board and interested in all of its activities.

Field Work

We make no attempt to record here all of the accomplishments of the year; but we desire to briefly mention some of them. The most outstanding advance has been in the first three items listed, namely, Leadership, Education, Camps and Assemblies, and Vacation Schools.

1. **Leadership Education**—Available figures show that we have had the best year in training leaders that we have had since the Union of Methodism. As relates to last year, the figures give the following increases: number of schools and classes this year 60, last year 32; courses offered this year 170, last year 76; number of churches represented this year 566, last year 378; pupils enrolled this year 2,835, last year 1,634; credits issued this year 1,947, last year 1,188.

2. **Camps and Assemblies**—Three Conference wide assemblies for youth were held reaching 385 youth from 147 local church, and with 81 adult workers in these Assemblies. Last year we held 7 District Camps for Youth. This year we held 15. There were 563 campers last year and 966 this year. These represented 171 churches last year and 292 this year. 255 persons served on the staff for these camps. Four District Camps for Children's Workers were held and 5 All Day Retreats reaching about 425 workers. One Circuit Camp for Children's Workers was also held.

3. **Vacation Church Schools**—Reports have been received from 400 Vacation Schools showing that we had 2,259 workers and 19,561 pupils enrolled. Complete reports will increase these figures. Last year we had 377 schools.

4. Several agencies shared with our Board in promoting and holding the Pastor's and Christian Worker's School. Over 300 persons enrolled in the classes or attended the lectures.

5. The Church Schools contributed on World Service Sundays \$40,330.88, which is about 22% of all that is paid on the benevolence apportionments in our Conference.

6. The staff of our Board has given full cooperation to the Crusade For Christ, sharing in the financial phase of the Crusade, and providing leadership in a movement that has brought an increase in both enrollment and attendance in our Church Schools.

West Virginia Wesleyan College

Our Conference College has continued to carry on its program of service during the past year; although with a student body considerably reduced in number. The early count of students at Wesleyan this year indicates double the number of freshmen over the beginning of last year; also the largest number of women ever to register in the freshman class. The total enrollment of the college will be approximately 50% more than last year. A few veterans are enrolling, but this is not a large percentage of the total. There are 23 persons in the present enrollment who are preparing for the ministry.

The college has a deficit of about \$1,100.00 from last year, the only deficit sustained during the war period. This is outstanding,

but plans are underway to take care of it soon. There was a very good response to College Day, and the President of the College has prepared a detailed report of the Greater Wesleyan Movement which will be distributed during the Conference Session.

We request the Conference by the adoption of this report to express its thanks to the Rockefeller Foundation for a gift of \$17,500 to Wesleyan College, and to the Board of Missions and Church Extension of the Methodist Church for a matching gift of \$4,000 per year. These grants are to provide a social scientist at the College who will offer his services to the Church. Dr. Carelton H. Currie, Ph.D. from Ohio State University and a member of the Ohio Conference has been secured for this responsibility. It is recommended that District Superintendents and pastors make use of the service thus provided.

We request your continued support for West Virginia Wesleyan College, and we commend Dr. J. W. Broyles for his faithful leadership.

Wesley Foundation

The Wesley Foundation under the leadership of Dr. W. S. Boyd and Mrs. R. J. Friant has had a good year in serving Methodist students at West Virginia University. The number of students responding to the activities of the Foundation is slightly less than in previous years, but with an increasing number of students in the University the Foundation will expect to serve a larger number this year.

A varied program is provided, including opportunities for worship, study, discussion, service and fellowship. The Foundation cooperates with other religious agencies on the campus. It also has a program of participation in activities beyond the campus, including representation at interdenominational conferences and at Methodist meeting such as the National Conference of the Methodist Youth Fellowship. Its program also includes missionary instruction and giving. The leaders of the Foundation serve the students not only through group activities, but also through personal counseling.

Wesley Church in Morgantown is making provision for an adequate building and equipment for the Foundation, and we believe that the Conference should seek means of making available larger resources for the program of the Foundation.

Recommendations

We recommend:

1. That a Conference of Christian Education be held on Oct. 11-13, 1945.
2. That in the work of the Conference Staff more time be given to the open country and rural communities.
3. That Methodist Student Day be observed in all of our Churches and that full cooperation be given to the Committee which is being set up by the Conference to receive and administer a student loan fund.
4. That the Executive Secretary be instructed, on behalf of the Conference, to write to all students in theological seminaries

from our Conference and also to all of our chaplains.

5. That the Conference Staff, District staffs and workers in local church schools give wholehearted cooperation to the Crusade For Christ, with special attention to the evangelistic phase and to the increase in church school enrollment and attendance.

6. That Church School Rally Day be observed in every Church on the second Sunday in September, or at such other time as is considered best under local conditions.

7. That the Christian Education Bulletin be continued and that space in the bulletin be made available to other Boards and agencies of our Conference.

8. That College Day be held in each Church on the First Sunday in May with a program in the interest of the Church College and that an offering for West Virginia Wesleyan College be taken on that day.

9. That the funds derived from the Conference benevolences be divided among the agencies on the same basis as last year which is as follows: Field Work 52.5%, West Virginia Wesleyan College 38% and the Wesley Foundation 9.5%.

10. That our Conference maintain its membership in the West Virginia Council of Churches and Christian Education and that our Board be directed to pay \$100.00 to the Council.

11. That we continue the Pastor's and Christian Workers' School, and that the laboratory school for workers with children be enlarged to include the Nursery Department and the Intermediate Department.

12. That in each district we hold an Intermediate Camp, a camp for older youth, and a Children's Workers' Camp; and that we seek to have a Week-End Institute for Youth in every sub-district in the Conference.

13. That at least two Youth Caravans be used in our Conference this year.

14. That Race Relations Sunday be observed in each church in the Conference.

**METHODIST CHURCH UNION OF THE PITTSBURGH
CONFERENCE**

Sanford W. Corcoran, Superintendent

August 24, 1945

Reverend U. E. Wills,
Secretary of West Virginia Conference
Spencer, West Virginia

Dear Doctor Wills:

For the information of the West Virginia Conference, I am sending this letter to you.

In the fall of 1940 the three Conferences of the Pittsburgh Area adopted the following resolution:

"Resolved, that the West Virginia Conference request the Methodist Church Union of Pittsburgh to sell or rent the Episcopal residence, located at 335 South Graham Street, Pittsburgh, on terms that will seem best to the Board of Directors of the Church Union. The proceeds from sale or rent, after deducting any necessary expenses for insurance, taxes, or maintenance, shall be held by the Methodist Church Union of the Pittsburgh Conference and invested, if possible, the income to be used to supplement the allowance by the Episcopal Fund for Episcopal residence rent; this to continue until the three Conferences of the Area shall decide otherwise."

For a time the Board of Directors of the Church Union rented the property for \$80 a month and after deducting taxes, insurance, cost of repairs, etc., applied the net return on the rent for the apartment in which Bishop Straughn lives. Because of the change in the character of the community in which the former Episcopal residence was located, it became increasingly difficult to secure a suitable tenant. After careful consideration it seemed wise to sell the residence. The property was finally sold on February 15, 1945, for \$8,500 gross. The net amount, after deducting commission and other expenses connected with the sale, was \$8,065. The Church Union has invested this sum at 4% interest. The interest, together with the allowance from the Episcopal Fund, has been adequate to pay the rent for the residence of Bishop Straughn. Each year the assistant treasurer of the Church Union has furnished Bishop Straughn with a detailed statement of receipts and payments in connection with these transactions.

Yours sincerely,
S. W. CORCORAN

REPORT OF THE BOARD OF EVANGELISM

September 21, 1945

We are now facing the year of special emphasis on evangelism in the Crusade for Christ. Each and every Pastor and Church faces probably the most momentous year in our history. Readjustments from war conditions, and intergrating returning servicemen and women into our Church life is a large order in itself. But we face

even more. The Methodist Church has advertised to the world that we are going full strength into work of evangelism. Many of us have hoped and prayed that some day the Methodist Church would go all out for the winning of souls for Jesus Christ. That time has come and our dreams have become a reality in this great year that is ahead. As the machinery of the Church is being geared for this gigantic task and every organization will be giving special emphasis to this important work it can mean but one thing—better days ahead for the people called Methodists.

The daring goal of a million accessions during this year of evangelism challenges Methodism to a basic task, providing ground work for all else: Education, world citizenship and stewardship of life can be served only in proportion to the initial commitment of loyalty to Christ and the Church. The achievement of this goal will extend the base line for every other worthy endeavor.

To achieve this goal we cannot rely too much on organization or man made programs. It is true that we have demonstrated our ability to raise money, as shown in our great victory of last year, but the winning of souls for Christ requires deep consecration and the discovery of that spiritual power that made the early Church victorious. We must, as Bishop Selecman well said, "Begin at the Alter". We are deeply concerned that Methodism shall have a new baptism of spiritual power. That every Pastor will meet his Church leaders at the altar and pray with them earnestly for such baptism in their Church. We must not, we cannot take the easy way. It will require "blood, sweat and tears".

We urge all Pastors to cooperate to the fullest extent in carrying out the plan submitted by the Council to be used in this year of the Crusade, as this plan submitted by the Conference Council deals only with the personal visitation Evangelistic Campaign closing with the Easter season. The Executive Committee of the Conference Board of Evangelism, together with the Conference Director of the Crusade Council will meet early in the Conference year to lay plans for the public evangelistic program that will follow. Two districts we know have already planned for a district wide public evangelistic campaign within their respective districts. The Board urges that other districts start early in the conference year to plan for this period of public evangelism throughout the conference.

The general Board of Evangelism had made available a large amount of valuable literature that will be of great help in promoting this program of evangelism. This literature will be on display at the sectional meetings to be held throughout the Conference during the month of October.

We urge all pastors to give careful consideration to the New Life Movement now starting under the leadership of Dr. Albert E. Day of the General Board of Evangelism. This movement gives promise of meeting a long felt need in Methodism. It will provide means of deepening the spiritual life of the Church and the strengthening of those won to Christ during this year of evangelism.

The Board deeply appreciates the splendid work of our Confer-

ence Evangelist, Brother Carl Looney, in his untiring efforts to build the Kingdom of God in our Conference. However, because of the fact that more than half of the year will be devoted to the personal visitation evangelistic efforts we have decided not to recommend the appointment of a conference Evangelist for the coming year.

We nominate W. E. Keenan as Conference Secretary of Evangelism, and recommend that he be appointed by the Bishop to this office.

Signed:

FRED OXENDALE, Secretary
T. E. SHEA, Chairman

REPORT OF THE FRANCIS ASBURY EDUCATIONAL FUND, INC.

General Statement

The Francis Asbury project dates back to 1918 when the General Conference of the Methodist Episcopal Church, South, authorized The Christian Education Movement. Under the inspiration of that movement the Baltimore Conference included among its askings the amount of \$100,000.00 to establish a school for worthy boys and girls living in remote and mountaineous areas of the Conference who lacked educational opportunities. A charter was drawn up in 1922 and the proposed school was designated as **The Francis Asbury School, Inc.**

While the cause was popular and the response generous, during the succeeding yeasers high schools were increasing to such an extent as to make secondary education available in practically all sections of the Baltimore Conference. Accordingly, with proper authority, the charter has been amended in such manner that the original purpose has been carried out in the form of scholarships (loans and donations) which are available to those who need financial help in securing an education in secondary schools, colleges and seminaries, preference being given on the college level to those preparing for the ministry and for missionary service. The change in name in 1938 from **The Francis Asbury School, Inc.** to **The Francis Asbury Educational Fund, Inc.**, indicates the use to which the annual income is now being applied.

The charter provides for eleven trustees to be elected quadrennially by the Board of Trustees upon nomination of the Conferences of the Methodist Church, as follows: two by the West Virginia Conference; three by the Baltimore Conference; and six by the Virginia Conference.

Annual Report

The annual meeting was held in Winchester, Va., May 1, 1945. During the year May 1, 1944 to April 30, 1945, a total of \$1,500.00 has been appropriated in loans and donations.

The total capital of the Board as shown in the auditor's report May 1, 1945, is as follows: cash \$4,502.51; student loans \$13,335.00; investments \$52,281.10; total \$70,118.61.

The West Virginia Annual Conference is asked to nominate for election as trustees of **The Francis Asbury Educational Fund, Inc.**, for the quadrennium May 1946 to 1950 the following: Dr. C. E. Brandt and Rev. Harry S. Myerly.

Respectfully submitted,

SELWYN K. COCKRELL,

REPORT OF THE TRUSTEES OF THE METHODIST HISTORICAL SOCIETY

The Trustees elected this morning by the Conference met at the seat of the Conference this afternoon and organized for business, by the election of Harvey W. Harmer, President.

Judge C. W. Furguson, Vice-President.

Reverend L. E. Bee, Secretary and Treasurer.

Honorable Phil Conley, Historian.

It was brought out at this meeting that Methodism in West Virginia is about as old as the Church and that two of the first Conferences were held within the present bounds of this Conference.

That there is to be here found papers, books and other articles of great historic value to the Methodist Church.

That every Methodist preacher should constitute himself an agent of the Society to find these, and secure possession of them so they can be properly housed and preserved for all time by the Society and protected from fire on the campus of West Virginia Wesleyan College.

That a picture and biography of each of the Bishops, of either of the former Churches, born in West Virginia, should be secured for the Society; that every member of the Conference is requested to furnish the Historian with a brief sketch of his life and a history of each Church on his charge or circuit.

REPORT OF THE COMMITTEE ON HOSPITALS AND HOMES

Your Committee on Hospitals and Homes respectfully submit the following as its report:

WHEREAS, there are no institutions, such as a Hospital, a Home for the Aged, or an Orphanage within the bounds of the West Virginia Conference, sponsored and claiming the support of our Methodist members.

WHEREAS, there is now a distinct need, for each, or all of the above institutions within the West Virginia Conference, and we believe a sincere desire among the Lay and Ministerial members of the West Virginia Annual Conference that a movement for an institution be developed at once, your Committee would recommend the following procedure for remaining years of the present quadrennium:

(1) THAT A FUND be created, beginning with this session of

the West Virginia Annual Conference, to be used in the establishment, when convenient, of an institution, ordered by special action of the Lay and Ministerial members of the Conference, as a project which will meet the demand for such an institution within our Conference.

(2) THAT THE CONFERENCE Commission on World Service and Finance be requested to set aside, and place with the askings of other West Virginia Conference interests, the amount of four percent per annum, as a beginning to the establishment of such institution.

(3) THAT THE CONFERENCE Board of Education, Division of Christian Education in the local church, through the Staff of that Board, consent to the Conference asking of all Fifth Sunday offerings, or, in case of a unified budget, an equivalent amount, in every Church School of the Conference, to be set aside to be used when needed for a Conference institution. The Staff to be the medium of the collection of this fund.

REPORT OF THE CONFERENCE LAY LEADER

The greater emphasis of the Lay Activities in our Conference in the past year has been placed on the financial program of the Crusade. Everywhere our Lay Leaders and our Laymen have given themselves to this part of the program of the Church, and the results are plainly seen in the excellent reports that are to be made at the Annual Conference. We are also happy to call to your attention that everywhere with this increased giving to the Crusade there has also been an increased giving to the benevolences of the Church, and our reports will show that local budgets have been increased, debts have been reduced, and that the financial status of our Conference is probably the best in the entire history of Methodism in West Virginia.

Due to the limits placed upon transportation and for other good reasons, no attempt was made to hold a statewide institute for men, and I think from reports that have come in there was no district-wide meeting of Laymen, except those held in connection with the District Conferences. These were very well attended, and the programs put forth presented the work of the Laymen. We would like to point out to you the very fine work the Laymen have done in the Parkersburg District in cooperating with their ministers in establishing a Methodist Center for the district. In Charleston District the Lay Evangelist, supported by the Board of Lay Activities in the Charleston District, is still continuing to do a great work. Buckhannon District has done an outstanding piece of work in organizing its district into four divisions, and the Associate Lay Leaders and the District Lay Leader have done a real work in putting over the general program of the Church. Reports are not so complete from the other districts, but we do know that everywhere our District Lay Leaders and their Associates have given great aid to pastors and District Superintendents in the holding of services where ministers could not be secured, and it is a real pleasure

to report that everywhere there seems to be better understanding and much better cooperation between our Laymen, Lay Leaders, and our ministers. We are looking forward to even a better condition in this regard, as we enter upon this year of special emphasis on Evangelism.

It has been the pleasure of the Conference Lay Leader to visit churches in five of the districts of the Conference, speaking at seventeen services in the interests of Lay Activities or the Crusade, and also filling the pulpits of other churches on invitation of the pastor eleven other times. In addition, he has addressed three interdenominational meetings, represented the General Board of Lay Activities at the Pittsburgh Annual Conference, attended four District Conferences, and one meeting of the General Board of Lay Activities. During the year it has been our fine experience to be in conference with the Bishop, several of the District Superintendents, and some of our pastors, as well as a number of Laymen concerning the work of our Board and the general program of our Conference. We are always ready to express our appreciation of the help that these men give by their suggestions and their considerate advice.

We have now successfully completed the program for the first year of the Crusade. Our immediate task is for us to give every effort to the program of Evangelism, and surely there is no greater opportunity to be presented to the Laymen of our Conference than to go out and win more people for service in the Kingdom and our great Church. Everyone of the Lay Leaders and our Laymen should support the program of the local church in securing better attendance at our church schools and our church services, and we should begin to prepare ourselves for our program of Stewardship which is to be the program of the Crusade for 1947. Our General Board will have excellent literature, and we hope that each of you will secure this during the coming year.

So to our resident Bishop, our District Superintendents, our ministers, and other members of the Methodist Church in West Virginia, we express our thanks for your friendly support, your untiring work, and your prayers, as we all work together in this church of ours, and as peace comes to a war torn world, soon may greater peace and understanding come into your lives.

W. FOSS CURTIS

Conference Lay Leader

BOARD OF LAY ACTIVITIES

Program For The Conference Year 1945-46

Crusade For Christ:

We urge that the laymen of our Church give group and individual support to the Crusade, under the direction of the Pastor and Crusade Council, during the coming Conference year, and that we set as our goal that every Church Lay Leader win at least one person for Christ and to the Church.

Stewardship Cultivation And Promotion:

Nothing less than the Christian stewardship of all of life will suffice to undergird properly an adequate program of world salvation. Our churches must become stewardship churches to insure the abiding success of the Crusade for Christ, and of the whole Christian Movement.

We urge that the Committee on Christian Stewardship, as provided for in the 1944 Discipline, be set up in every Church, and that the Committee assume the responsibility of making the membership of the local Church familiar with the plans for 1947.

Institute And Rallies:

Plans have been made to hold a West Virginia Conference Laymen's Institute. We urge district-wide Institutes and Rallies in each district.

Laymen's Day:

We insist that all Churches observe Laymen's Day, using such subjects as may be suggested by the General Board.

Support Of The Ministry:

We recommend to our Churches an adequate support of the Ministry.

This Board considers the financial aid now give to our retired ministers to be inadequate, and will support a plan to materially increase the amounts paid to these men.

**REPORT OF THE BOARD OF MISSION AND
CHURCH EXTENSION****SECTION I****Conference Missionary Secretary's Report**

This has been a climatic year in the missionary history of Methodism. Never before have our people been called upon to do so much for kingdom building and expansion. Never before have they responded so willingly and devotedly. The successful completion of the Crusade for Christ both in Methodism and in our Conference is a noteworthy and victorious achievement. Yet in spite of the consecration and sacrifice necessary to make this possible, giving to World Service has increased approximately seven percent this year in Methodism. We are quite sure gratifying reports for this Conference are being made at this session of the West Virginia Annual Conference.

Methodism's splendid response to the crying needs of the world has proved that the people called Methodists realize this is in reality "one world". They are aware that the desperate need of the world is for the redemptive knowledge of the gospel of Christ. They are out in the forefront with those who would make this a Christian world—a world of cooperation, of brotherhood, and of lasting peace. It reveals what our people can, and will, do when a cause is presented to them in an earnest and convincing manner.

All of us know that if we go forward we must seek to improve the past, commendable though it is. Therefore the Conference Secretary is making some suggestions. First, every District should organize a District Board of Missions and Church Extension as ordered by our Conference. This organization should set up a missionary program of action with aims and goals for the District. Every member of the Board could be given definite responsibilities such as putting on a visual education program, promoting mission specials, organizing Church Boards of Missions, holding schools of missions, reclaiming abandoned churches and organizing new ones, etc. Second, great care should be exercised in selecting District Secretaries. Too often men of ability are selected who are loaded down with other responsibilities and have little, or no time, for the job of District Secretary. Third, at District Meetings more emphasis could be placed on missions. The program should be lifted out and held up as in the past we have emphasized the program of Christian Education. Every church should have an active Board of Missions responsible for carrying out the missionary program of our church. These three suggestions carried out will do much to maintain and promote missionary passion among our people.

Respectfully submitted,
L. D. ROE, Conference
Missionary Secretary.

RECOMMENDATIONS

The Board of Missions and Church Extension make the following recommendations:

1. That the Cabinet appoint District Missionary Secretaries as members of this Board.
2. We respectfully request Bishop James H. Straughn to re-appoint Rev. L. D. Roe, Conference Missionary Secretary.
3. That if justifiable superintendents may cancel, or modify askings.

Respectfully submitted,

I. S. TYLER, Chairman,

HOMER W. WISEMAN, Secretary.

COMMITTEE ON CONFERENCE MINUTES

There has been referred to this Committee the question of how the copies of the Conference Journal shall be distributed. In the short time that we have we cannot work out a complete formula. Such a formula will be worked out before next Conference. In the meantime any minister may have additional copies of the Minutes if he will ask for them by October 31, in writing. By "additional" we mean additional to what he usually receives at 50 cents a copy. They will be sent as long as they last, and if we know that more copies are needed, we shall increase our order to the printer within practical limits.

PERMANENT TRUST FUND COMMISSION**Report of Secretary-Treasurer**

I am hereby submitting my report as Secretary-Treasurer of the Permanent Trust Fund of our Conference. This has been a year of action on the part of your Secretary—some of the time, especially during the time when the District Conferences were being held. I was placed on the program of each of the eleven District Conferences, but was unable to attend two of these sessions due to some being held at the same date, and distance made it impossible to be present at the Bluefield and Charleston Districts. In these Districts I was asked by the Board of Conference Claimants to represent their Board as well as the Permanent Trust Fund, they believing these funds are co-ordinating interests and both are benefited by representation over the Conference; both for the purpose of providing an adequate support for those in the retired relation.

I am not able to report such results as we desired. The Christian Crusade was on, and demanding the attention of all our churches, each church being asked for a large sum of money for that cause. But the year has not been without achieving some definite results by way of securing new money for the Permanent Trust Fund.

The first day of February we received notice from the executor of an estate in Fayette County saying that \$6,050 was the sum of our bequest in a will made by Mrs. Laura Hopkins of Fayetteville. These bonds were received a few weeks later, and interest was paid by the government on the same.

At about the same time word was received from the executor of an estate in Elkins, stating that a bequest was named in the will of Mrs. Laura Bloomfield. This was in the amount of \$6,500, but a letter in my possession from the executor states that the will cannot be fully probated till the lapse of one year from the time of the death of the benefactress. That will be in December, three months hence. Smaller gifts have been received.

Due to the low rate of interest received from our investments, as well as making some necessary adjustments in these investments, the Permanent Trust Fund will be unable to turn over to the Board

of Conference Claimants as large an amount as last year. But these investments will begin to catch up almost immediately after Conference.

Some estates are still in the proceess of adjustment before the Permanent Trust Fund can come into the possession of the bequests designed for our fund. The estate of Mrs. Mary C. Madera, Taylor County, where the sum of \$1,000 was left to the Finance Board of the Methodist Protestant Church for the retired ministers, has not as yet been received, the executor of this estate claiming he is not authorized to make payment without a court order to that effect. This matter will be taken into the Circuit Court of Taylor County as soon as possible.

I have in my possession a copy of the will of Mr. W. G. Bailey, of Lewis County, in which we are shown to be the residuary legatee of that estate. A conversation with the executor gives the information that the estate will be liquidated as soon as possible and the respective designations in the will carried into effect. This should be in the next six months. It is hard to determine just the amount we will receive from that source. But will be well worth having.

These bequests, with the exception of the estate of Mrs. Madera, came after some solicitation on the part of your Secretary.

Others have notified us of their intention of remembering us in making of their wills. But no sum totals are being counted until the money or its equivalent in property has come to hand.

The report of Mr. Harry R. Howell, the Recording Secretary of our Board, will show the extent and place of our investments, all new ones being in government bonds.

Respectfully submitted,

S. B. HART, Sec.-Treas.

THE BOARD OF TEMPERANCE

The Board of Temperance submits the following report to the 1945 session of the West Virginia Annual Conference.

One who lives in our society can not but be aware of the conditions which we face. The intemperance of many people, the prevailing indifference to those agencies which destroy the moral well-being of society, the apparent prosperity of those whose business is the destruction of the better phases of living, and our failure to adequately oppose these things, are all appalling. The close of the war period represents an opportunity for both the church and agencies with less worthy ideals. We must meet this opportunity and use it for victory.

We reaffirm our position of uncompromising opposition to the traffic of alcoholic beverages. Methodism can never accept any position except complete prohibition. We confidently look for this to come again.

We recognize the excellent work of our General Board of Temperance and pledge our loyalty to their leadership in this work.

We commend the work of the West Virginia Anti-Saloon League, under the leadership of Dr. L. J. Priestly. We urge full cooperation by our ministers and churches.

We congratulate the Woman's Christian Temperance Union in their work of educating for Temperance.

Realizing the seriousness of the conditions we face, we present the following recommendations:

1. That we work for better and more efficient legal control of the alcoholic beverage traffic, and that we promote local option elections on the question of state liquor stores.

2. That we recognize that alcoholism is a disease and that the consumers are victims of that disease. We must seek to salvage the victims of alcoholism, and to remove temptation from them, even as we seek to destroy the evil itself.

3. That we continue the work of educating our people as to the dangers of the use of alcoholic beverages, and of participation in other evils.

4. That in the coming evangelistic phase of the Crusade for Christ we make especial effort to reach those persons engaged in the alcoholic beverage traffic, either as consumers or as sellers.

5. That each local church and every minister accept their responsibility to the end of leading our society to sobriety. We urge the organization and activity of the Temperance Committees in all churches.

6. Recognizing that Temperance is needed in all phases of living, that we seek to lead our people into temperate social and economic attitudes. The church must speak with authority on social questions. Especially at this time we need to teach proper moral attitudes in the fields of race relations, divorce and marriage relations, and kindred subjects and phases of life. These are serious now, and will become more serious. We must give the answer that we have.

7. That the church recognize its responsibilities to supply alternatives to moral corruption, and immoral activities. We must offer good recreation to youth, and fellowship to adults. And we must actively lead our people into willingness to be governed by God in all phases of their lives.

REPORT OF COMMISSION ON WORLD SERVICE AND FINANCE CONFERENCE SESSION 1945 INTRODUCTION

Your Commission is happy to report excellent progress this year in the matter of World Service Giving.

Our apportionment for World Service and Conference Benevolences for the year was \$178,672.

Total received was \$177,116.42 or 99.13% of apportionment. Increase over last year \$12,000. In view of the fact that this was the year of the financial phase of the Crusade for Christ, and that \$476,610.60 has been paid to date, which in reality has been given to the cause of World Service for Christ beyond our regular World Service giving. The West Virginia Conference has given this year to the total cause of World Service and Conference Benevolences \$653,727.60.

For this we offer our gratitude to Almighty God, and express appreciation to our people who have had the vision and desire to share in this great Kingdom enterprise.

REPORT ON COMMISSION ON WORLD PEACE

Section I

WHEREAS: Through the Grace of God, Peace has once again come to our world, bringing to a dead stop, the most destructive military machine in human history, for which we bow in humble reverence and Praise to Almighty God, and

WHEREAS: "It shall be the purpose of the Commission on World Peace to advance the interests of the Kingdom of God through international justice and the Spirit of good will throughout the world; to endeavor to create the will of peace, through conditions for peace and through organizations for peace and to organize effective action in the church for the advancement of peace," therefore

BE IT RESOLVED: That we call upon the local church through its Committee on World Peace in cooperation with our General Conference Commission on World Peace, the Board of Education, the Board of Missions and such other Boards and Agencies, books and literature, which may lend itself to the accomplishment and preservation of this most desired boon of mankind—the Christian Peace of the World. Furthermore, we are forced to the conclusion, that, unless Christ build the house of Peace, they labor in vain who build. Therefore may our great Church truly seek through consecration, leadership, dedication and devotion to the kingdom of Christ on Earth, truly express in word and deed, the divine will of God for this world, as we follow the Prince of Peace to ultimate Victory.

**RESOLUTION—COMPULSORY MILITARY CONSCRIPTION
IN PEACE TIME****Section II**

WHEREAS: Allied Arms have now achieved a military victory both in Europe and in the Pacific, for which we have, and must continue in our sincere expressions of thanksgiving to Almighty God, and

WHEREAS: The most appalling and destructive force (for destruction) known, discovered or invented by the scientific genius of mankind, known as Atomic Energy has, overnight changed the military and civil course of mankind and has made obsolete all former methods of warfare, and

WHEREAS: This new weapon combined with the most extensive, costly well trained and well equipped and manned military machine in all ages, does not require the necessary and undemocratic, compulsory military conscription of our youth to keep the peace of our nation or of the world, and

WHEREAS: Such a method of military training, devised and adopted by the dictator controlled axis nations would prove a menace to the homes, schools, morals and social life of America, and

WHEREAS: Such a method of military recruitment is a positive contradiction to the ideals and traditions of our American Democracy, therefore

BE IT RESOLVED: That the West Virginia Conference of the Methodist Church go on record as opposed to compulsory military training of our youth and call upon the Congress of the United States to support the Christian and Educational voice and ideals of the American people, as expressed through the Federal Council of Churches of Christ in America, the National Education Association, the National Federated Woman's Clubs of America and the Official Voice of our Great Methodist Church, that the inherited rights of our youth be preserved and directed toward the ends of World Peace.

VII. MEMOIRS

ALBERT ELLIS O'DELL

The Reverend Albert E. O'Dell, son of Mr. and Mrs. Perry O'Dell was born near Summersville, Nicholas County, February 3, 1864, and died October 5, 1944 at Beckley, West Virginia. He was converted at the age of twenty-three and was licensed to preach in 1890, and served the Raleigh Circuit as a Supply. During the following he united with the Western Virginia Conference, was re-appointed to the Raleigh Circuit and organized the Methodist Episcopal Church, South, at Beckley (now the Methodist Temple).

During his ministry he served many of the prominent churches in W. Va., was Presiding Elder, Secretary of Education for Morris Harvey College, and for several years was Director of the Superannuate Fund of his church. While serving as pastor at St. Albans he was sent to Brussels as a delegate to Rotary International. He was well versed in history, and was one of the outstanding homespun philosophers of his day. He was a favorite of professional men in many of the county seat towns of W. Va. He was a wise counsellor and a true friend of all the younger men of the conference.

In 1937 he took the Superannuate relationship and moved to Beckley, where he remained active in the work of his church until a few months before his death. Funeral services were conducted at the Methodist Temple, with the Rev. Glenn W. Stewart, pastor in charge; assisted by the Rev. J. Murrell Helm, Bluefield and the Rev. Dr. W. W. Pharr, pastor of the Presbyterian church, Mt. Hope. The body of this beloved pastor was laid to rest in the Sunset Memorial Park, Beckley.

ISAAC A. BARNES

The year 1944 saw the passing of one of the grand old men of the former Methodist Protestant church, the Rev. Mr. Isaac A. Barnes, D.D., who came into greater Methodism with all the zeal of a young man who had his ministry before him.

Dr. Barnes passed from this life Sept. 26, 1944. He was the son of the late Isaac N. and Margaret O. Holland Barnes, pioneer settlers in Marion County, West Virginia. Dr. Barnes was born on the old homestead farm in Pleasant Valley, Union District, August 28, 1857.

He began his education in the public schools of Marion County. Later he attended the Fairmont State Normal School and the West Virginia University. From the latter he received his bachelor's degree in Art. He took his theological training at the Westminster Theological Seminary in Westminster, Md., and later did post-graduate work at the Kansas City University, which institution conferred upon him the honorary degree, Doctor of Divinity.

After his ordination to the ministry Dr. Barnes gave twenty-two years of zealous pastoral service as a member of the West

Virginia Conference of the Methodist Protestant Church. His colleagues in the ministry honored him five successive years by electing him Secretary of the Conference and to a term as President of the Conference.

While active as a pastor he organized a Mission in Weston and later erected the First Methodist Protestant Church building there. He also organized the Methodist Church at Watson.

His pastoral churches in the Conference were Watson, Weston, St. Marys, Morgantown, Harrisville, Newburg, Grafton and Spencer. In 1901 Dr. Barnes was transferred to the Pittsburgh Conference where he served as pastor of the Second Methodist Protestant Church in Pittsburgh.

Dr. Barnes was much devoted to the public schools and at one time or another served as teacher, county board member, and finally as Superintendent of Schools in Marion County.

He was a man of keen intellect and of a cheerful and happy disposition. His pastoral duties were characterized by fine Christian principles and progressive policies. He was zealous and yet conservative—a builder. He was the author of several books of sermons, of "The Family History of the Barnes in West Virginia," and "The Methodist Protestant Church in West Virginia," and for the last several years of his life was a weekly contributor to church publications and to his home town newspaper. As evidence of the high esteem in which his neighbors and colleagues held him, more than fifty ministers of the gospel gathered at his bier in a last solemn tribute.

Dr. Barnes married Miss Margaret A. Lynn of Benton's Ferry, also a member of a pioneer Marion County family. Mrs. Barnes survives him. Their marriage took place June 16, 1880. The deceased leaves five children: Fred N. Barnes, Frank R. Barnes, Dr. H. S. Barnes, Mrs. Lawrence Linn, and Mrs. Burt Stanley, all of whom are interested lay people of the Methodist Church.

HUGH BASCOM WORKMAN

Hugh Bascom Workman, son of Alderson and Rebecca McClure Workman, was born October 8, 1865 in Wayne County and died January 14, 1945, near Lavalette. He was educated in the public schools of Wayne county and taught school in the county for several years. In 1902, Hugh Bascom Workman was licensed to preach and in 1909 joined the West Virginia Conference of the Methodist Church. The same year he was appointed to the Winifrede charge in Kanawha County. Later, he served Hamlin, Evansville, Mt. Clare, Richwood, Moundsville (Calvary), Huntington (Jefferson Avenue), Terra Alta, Spencer, Grafton (St. Paul's). He served one year as Secretary of the Permanent Trust Fund of the Conference. Retiring from the active ministry in 1930 he still kept his interest in church affairs, teaching the Men's Bible Class of the Lavalette church for several years. He married Mary N. Newman, daughter of Joseph Newman, a local preacher in the church. To this union

were born nine children. Mrs. Workman and seven of the children survive.

Funeral services were conducted in the Lavalette Church by W. I. Fiber, pastor of the Lavalette Church, and T. M. Zumbrunnen, District Superintendent. Twenty-one ministers acted as an escort of honor from the Church to Mt. Vernon Cemetery.

"What was his creed!

I do not know his creed, I only know
That here below, he walked the common road
And lifted many a load, lightened the task
Brightened the day for others toiling on a weary way;
This, his only creed; I do not know his creed.

What was his creed! I never heard him speak
Of visions rapturous of Alpine peak
Of doctrine, dogma, new or old;
But this I know, he was forever bold
To stand alone, to face the challenge of each day
And live the truth so far as he could see
The truth that evermore makes free.

His Creed! I care not what his creed;
Enough that never yielded he to greed,
But served a brother in his daily need;
Plucked many a thorn and planted many a flower
Glorified the service of each hour;
Had faith in God, himself, and fellowmen
Perchance he never thought in terms of creed
I only know he lived a life, in deed!"

REV. WILLIAM D. SWAN

William D. Swan was born in New Matamoras, Ohio, February 2, 1881. His early occupation was that of pottery worker and salesman.

He was married twice, first to Anna F. Hardwick, of East Liverpool, Ohio. Five children came of this union: three sons, Luis, David and Sterling. There were also two daughters, Mrs. George F. McCahon, Clarksburg, West Virginia, and Mrs. A. M. Winland, East Liverpool, Ohio.

His second marriage was to Flora Mae Goodwin of Clarksburg, West Virginia, who survives him. Five children of this union also survive, They are EstherJean, Ruth, Paul, Luke and Danny.

Brother Swan became a Christian in mature manhood. He soon heard and answered the call to the ministry and was admitted into the West Virginia Conference of the Methodist Church in the fall of 1923. Through twenty years of active ministry he served a number of important churches. He was a forceful preacher, a good singer and a tireless worker. He was gifted as an evangelistic preacher-pastor.

On account of failing health he was retired in 1943. Still unwilling to give up his beloved work, after a year's rest, he became a Supply on the Wadestown Charge. But his strength soon failed, and on April 9, 1945 in a Clarksburg Hospital, he came to the end of his earthly journey. His funeral was conducted by Dr. John L. Wolfe and Dr. W. P. Eastwood, assisted by Rev. J. D. Engle, and his body was laid to rest in the Masonic Cemetery near Shinnston, West Virginia.

"When my last hour cometh,
Fraught with strife and pain,
When my dust returneth
To the dust again,
On Thy Truth relying,
Through that mortal strife,
Jesus, take me, dying,
To Eternal Life."

WILLIAM LEE REID

Reverend William Lee Reid was born in Greenbrier County, near Lewisburg, West Virginia, on May 19, 1865, a son of James J. and Sarah Frances Humphrey Reid. He was educated in the schools of Frankford, West Virginia and on the college level at Staunton, Virginia.

Early in life he manifested a deep interest in religion which amounted to a compelling call to preach Christ. For ten years before admission on trial William Lee Reid preached in New York State. In 1895 he was admitted on trial to the Western Virginia Conference of the Methodist Episcopal Church, South, and in 1898 was received into full connection. Most of his long and fruitful ministry was spent in the Western Virginia Conference. However, he gave a few years to pastorates in Butte, Montana; Spokane, Washington; and in Arizona.

In the Western Virginia Conference he served strategic pastorates, always leaving a parish stronger than he found it. He gave nine years of his vigorous life to the superintendency. He was Presiding Elder of the Charleston District for four years, of the Fairmont District for one year, and of the Parkersburg District for four years. He demonstrated the talent of clear thinking in the business administration of both pastoral and district responsibilities. For four years Reverend Reid was editor of the Conference-sponsored Methodist Advocate. For eleven years he was Secretary of the Conference. Six years he served as Conference Missionary Secretary. He was one of the organizers of the State Anti-Saloon League and remained on its board of directors until his death.

With fifty-three years of preaching the Gospel behind him this man of God retired in 1938 and made Huntington his place of

residence. He and Mrs. Reid made Johnson Memorial Church their chief place of spiritual anchorage. Brother Reid served ably in that church for the last several years of his life. He preached, conducted prayer meetings, taught Bible classes, visited the sick and gave constant encouragement to the pastors. He was always ready to answer similar calls for help in other churches.

Even in his latter years William L. Reid's thinking marched abreast of the times. His mind digested the best books, the best religious magazines, and writings on the affairs of a war-torn world. His devotion to the altar where he served the Lord's Supper and his devotion to the prayer meeting were not influenced by bad weather nor by minor illnesses. God's house was first in his life.

This faithful servant answered God's homecoming call after several weeks of sickness, on April 21, 1945. The funeral service was held in Johnson Memorial Church on April 24. Officiating were Bishop U. V. W. Darlington, Dr. T. M. Zumbrunnen, and Rolla S. Kenaston.

Surviving relatives of close kinship are the wife, Mrs. Myrta Meridith Reid of Huntington, and a son, Leroy M. Reid of Spokane, Washington.

The life-long servant of Christ whose greatest desire was to be a pastor of souls has bidden us farewell for a time and awaits the faithful in the Yonderland of the human spirit.

Prepared by Rolla S. Kenaston, pastor
Johnson Memorial Methodist Church.

"O Saul, it shall be

A Face like my face that receives thee; a Man like to me,

THE OBJECTIVES OF WEST VIRGINIA WESLEYAN COLLEGE

●

It is the purpose of West Virginia Wesleyan College to be a Christian college of liberal arts in the sense that its total program is motivated by Christian ideals and principles, and is directed toward the development of competent, cultured, Christian persons.

The College seeks to help each student, in the light of his individual abilities, interests, and needs, to become such a person by attaining the following specific objectives:

1. Ability and disposition to read the English language with understanding, and to speak and write it correctly and effectively.
2. Ability and disposition to think clearly, objectively, independently, and constructively.
3. Ability and disposition to order one's own life in such fashion as to realize the highest possible degree of health and efficiency of both body and mind.
4. A broad orientation in the liberal arts, — some understanding and appreciation of the content and value of the main fields of learning and of the major problems of human life.
5. Sufficient concentration in some field, or fields, to constitute adequate preparation for graduate study or immediate entrance into some well considered vocation.
6. Understanding, appreciation, and experience of the Christian religion, — development and practice of a Christian philosophy of life.
7. Ability and disposition to be a good citizen, — to participate in, and assume leadership in, socially constructive organizations and activities.
